

# SCHOOL-PARENT-FAMILY COMPACT

## What is a School-Parent Family Compact?

SKTCS students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents/families will build and develop a partnership that will help children achieve the State's high standards.

The parents, students, and staff of SKTCS partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the spring of each school year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title 1 parent survey that is also used as a tool to collect parent feedback regarding the current Title 1 programs and policies.

You may visit our school website ([www.sktcs.org](http://www.sktcs.org)) and click on the Title 1 tab to find the online feedback form.
